## Extensive **new** range of **Trigger Spray Bottles and Heads**

**INVOPAK** now offers from stock, coloured trigger spray heads in red, yellow, green, white, blue and natural for product identification and matching label design.

The trigger spray range now includes:

- Fully adjustable nozzle for variable spray patterns
- Foam/spray for direct liquid spray or optional foam
- Standard on/off trigger spray heads
- Industrial large dose 1.2ml spray heads
- Guala bayonet fit/tamper evident – Standard spray
- Guala bayonet fit/tamper evident – Mist spray
- Guala bayonet fit/tamper evident – Polish spray
- Guala bayonet fit/tamper evident – Foam spray

Applications include furniture and carpet cleaners, bathroom products, kitchen cleaners, multipurpose cleaners and glass cleaners. Industrial trigger sprays for a larger output dose of 1.2ml are also available from stock for automotive applications, herbicide spray, insecticide spray and agricultural use.

**INVOPAK** has also extended its bottle range to compliment the trigger spray heads. New additions to the range in 500ml and 750ml are:

- Clear PET – Gloss finish
- Black PET – Gloss finish
- White PET – Gloss finish
- Natural HDPE – Mat finish
- White HDPE – Mat finish
